Health, Safety, Security & Environment

As we power India's communications network, it is equally important to us at Summit Digital to be committed to the twin causes of safety and sustainability and creating a workplace with a target of Zero Harm. We will not compromise on our endeavour to reach the highest level of Health, Safety, Security and Environmental (HSSE) performance, to protect the communities in which we operate. We have a three-fold mission in this regard

Protecting our employees and workers

Conducting business ethically

Mitigating impact to the environment

No risk is too small - by demonstrating responsible leadership, we aim to lead others into a successful health and safety work culture
